

Members Profiles - (September 2023)

Members	Summary of relevant experience
Professor Sara Spear	Dean of the Faculty of Business and Law, St Mary's University, London. Professor Spear will ensure Enable Trust is able to lead change in special education, as the Trust grows. An area of specialism is parental engagement in education of children with SEN.
Dr Alan Kellas	Paediatric Clinical Psychiatrist. Dr Kellas has expertise in supporting policy and practice in children and young people's mental health, autism and attachment disorder.
David Hussey	Executive coach and former Headteacher and Local Leader of Education of Briarwood School, a multi-site special school for children with profound, severe and complex learning difficulties. David will support the Trust through his in depth knowledge of the special school sector and a passion for advocacy for children and young people with SEND.
Philip A. Beveridge	Bank Regional Manager for over 25 years. Philip brings many years of special school finance knowledge and leadership experience as former School Business Manager then Chair of Governors of Kingsweston Special School.
Philip H. Kemp	Chartered Management Accountant. Philip is a strategic business leader with a strong understanding of risk management and a passion for talent retention and development.
